## President's Message

Fellow Members:

Spring is just around the corner and that means it is time to shake off the rust and come out and enjoy your club.

We continue to pursue and complete various projects. The stucco project on the clubhouse is nearly complete. Unfortunately, there was not enough of the final color coat to fully complete the project. Our contractor is diligently seeking to obtain the additional product to allow completion, but like with many other products, we are delayed by the supply chain issues.

As I am sure you have noted, our greens continue to improve. We wish to thank Jim Pingrey and Blake Davis for their expertise and assistance with our greens and we will continue with our nutrient, fertilization, and aeration programs.

Our greens crew has also begun re-seeding the bare spots within the fairways and rough areas. Please respect the roped off areas to allow the re-seeding to take hold.

The Board wishes to thank the membership for their understanding and acceptance of the recent dues increase. While the Board does not take dues increases lightly, it was absolutely necessary to proceed with the increase during these inflationary times. The increase will keep our club financially sound moving forward.

Unfortunately, I need to address issues concerning member conduct that the Board has recently had to deal with. While the vast, vast majority of our members respect their fellow members and the club's property, we have had a few instances where members have taken it upon themselves to act in an unruly manner that has resulted in some damage to the club property. The Board has addressed these matters and the damage has been repaired without expense to the club. Additionally, we again wish to remind all members who utilize the honor bar to make certain that drinks are paid for when poured and that liberties are not taken with regard to our posted drink prices. Violators of our club rules will be subject to discipline as provided for under our bylaws. Please respect our club rules and your fellow members, keeping in mind that our club was formed and now operates as a place for enjoyment of recreation and social gathering.

Lastly, I wish to remind our membership that the election of board members will take place at our annual meeting in May. Two directors will be elected to a term of three years. If you are interested in running for a Board of Director position, please let Doug or a board member know of your interest and we will include you on the ballot.

Watch for announcements of various upcoming tournaments and club activities and be sure to enjoy your club this upcoming Spring.

Best regards,  
Dave

## News from the Golf Shop

The days are getting longer and so are the hours in the golf shop. We are currently closing the shop at 5 pm, but will be moving to 6 pm on the 15th of March.

We are using a text messaging program to keep in touch. If you are not getting the text messages, please, text CGCC to 71441, or contact Doug for more information and troubleshooting.

Remember, we have many events coming out to the course so make sure to come out and enjoy the company! This weekend, features the Annual County Cup, the match will be played in Colusa this Saturday, March 5th and in Arbuckle on Sunday. Good luck to the Colusa team this weekend!

### Upcoming Events:

March	5th-6th County Cup
March	16th High School Golf Match
March	16th Women's Twilight Meeting
March	17th Men's Twilight Captain's Meeting
March	18th Men's Horse Race
March	20th Member Workday
April	8th Men's Horse Race
May	6th-7th Women's Invitational
June	17th Men's Horse Race
July	8th Men's Horse Race
July	22nd-24th Men's Invitational

## Greens' Committee Continues Progress

We continue to stay busy around the course. Here is a list of the current projects:

- We planted new grass seed in various spots. These areas are taped off to ensure the seed grows. Please be cautious and respectful when playing. You may take a free drop from these areas.
- A new water pump, motor, and pressure

tank are currently being installed.

- Chemical applications and punching/sanding will be performed on the greens this month.
- We continue to work on the tree plan, ensuring that we will be planting the appropriate trees in the best areas.
- We are in search of a new fairway mower, so please let us know if you are aware of anything that may fit our needs.

## Updates from the House Committee

The building stucco project is almost completed. We have had a couple of glitches due to product supply and shortage. The need to repair the building was long overdue. Its outside preservation will allow all of us to continue enjoying our club for many years to come. Please stop by and take a look.

Thank you to everyone who participated in the fund raising golf tournaments, Ladie's Club donation, and donations of time and help from members. It is much appreciated!!

We are hoping to replace the flooring in the bar and conference room as the next big project. Please continue to support your club's endeavors.

Now that COVID-19 mandates have loosened,

people are out socializing more. Our member's bar is being used and rented frequently.

Some things to keep in mind for our member's bar to stay in compliance with ABC laws:

No:

- sales to minors or permitting persons under 21 to consume alcohol
- serving drinks while or to intoxicated persons
- bottles of alcohol left on top of bar for individual pours while consuming
- serving or consuming alcohol after hours: 2 AM - 6 AM

Please continue to have fun and enjoy the company of others! Our member's bar is a huge perk for all of us to enjoy!!

# Colusa Women's Club is Gearing up for the Year!

We have had a busy first few months of the year and are preparing for even more fun!

We are excited to start providing our ladies with more social events. We kicked off our first one in February, with a Sip & Paint night! We are extremely thankful to Joella Wheeler and Janice Bell for putting in all of the hard work and effort. A great time was had by all. We also hosted a dessert silent auction at the end of 2021 that was a HUGE hit. We plan to come back with more! We are now turning our focus to our annual Women's Invitational. The activities will be held on May 6th and May 7th. May 6th will be our Horse Race and the 7th will be the Invitational. Please reach out to Shelley Carrion for any questions and information on signing up! Make sure to do this early, as this event fills up quickly!

We are very happy to announce that our Women's Club has adopted a new, personal logo! Our next step is getting this logo onto some apparel for those who would like it. Stay tuned for more information on this. A huge thank you is owed to the wonderful artist, Joella Wheeler, who created this logo and perfectly depicted our Women's Club!

Women's Twilight will be starting soon. We are having an informational meeting on March 16th at 6:30 pm in the bar area at the course. We will be discussing the format, signing up for provided dinners, and getting organized for the year. Women's Twilight is for EVERYONE. It does not matter if you have played golf since you were a kid or if you have never swung a club before. We welcome everyone and we hope you will all join us at our meeting!

We are always interested in new ideas from everyone! If you have any or would like more information on joining our Women's Club, please reach out to Mattie Myers.

## Course Shout Outs

Many of our members have been busy helping out and improving the course. Give them a pat on the back, thanks, or special shout out when you see them. As always, many hands make light work!

### THANK YOU TO:

Patty Hickel and Jan Gomes for organizing, planning, and decorating for our outstanding Christmas Party

Cyndi Lou for always watering and weeding the flowers

Cindy Krug for trimming the roses at the clubhouse

Clyde Kuderer for spraying around the trees and ponds and hauling brush away

Christian Cowsert for helping with all of the building repairs

## Course Chatter from the Social Committee

We hope you have been spending some time at the course during the gorgeous weather, but if not, now is the perfect time to stop by and see all of the work that has been done. The patio area has been finished, with the garden and yard area planted. You can also enjoy a drink or meal around the fire pit. If you are there in the evening and the breeze comes up, there are blankets and chairs to add to your comfort. We are continuously trying to improve our facilities to give you the best place to spend your time. Let us know what else you would like to see!

The social year has kicked off and there are many events planned. Check out the website and watch for emails and texts to be reminded of events. If you are not receiving the emails or texts, contact Doug or Meredith in the office.

### Upcoming Events:

**Poker Run Tournament:** The Poker Run Tournament is scheduled for Saturday, March 12th. There are still a few team spots available. This tournament was a huge hit last year and is sure to bring a lot of fun. The cost is \$40 per member or \$60 for non-members. The format will be a scramble, but your golf game isn't the only chance you have at winning!

**Club Annual Easter Egg Hunt/BBQ:** The annual Easter Egg Hunt & BBQ will be held on Saturday, April 16th. The egg hunt will start at 4:00 p.m. followed by a BBQ. You must sign-up and pay in advance. The cost is \$15.00 a family. Donations for filled Easter eggs will be taken in the Pro-Shop starting April 1st.

**Glow Ball:** The 5th Annual Glow Ball tournament will be held on Saturday, April 23rd. This tournament is a favorite and fills up fast. A flyer will be sent out in the middle of March with all the information. Participants are encouraged to light up and decorate their carts for this festive affair. Be sure to check out Facebook, Instagram, or the website following the tournament to view the carts. The creativity in the past for this event has been outstanding. There will be many entertaining moments and surprises throughout the night.

**Annual Club Meeting/BBQ /Horserace:** Sunday, May 22nd will be the Annual Club Meeting, BBQ, and Horserace. Mark the date down and plan on attending to be a part of growing the club. More information will come out in April.
